Re: NFL Play 60 Assembly – November 15, 2011

Dear Parents and Guardians,

Last week we received a letter confirming that Cathcart Elementary was selected as the *Grand Prize winning entry* for the Seattle Seahawks market in the NFL contest **Play 60 Health and Fitness** grant. Our entry was coordinated and submitted by our CPO.

The benefits to our school include:

- 🐾 a Celebration Assembly with a visiting Seahawks player who will talk with our students about the importance of health and wellness, hard work, and staying in school. *This event is only open to our Cathcart Cougar Students and Staff.*
- 🐾 The NFL staff will work with Ms. Olson, our PE specialist, to hold a special Ultimate Gym class with fitness stations for 50 students. *(These students' names will be drawn from the students who participated in the NFL Play 60 picture on September 9 for our entry.)* Our special visitors will bring 15 footballs, 12 hula hoops, 30 cones, 30 jump ropes, and 30 3lb weights which will be gifted to our school.
- 🐾 \$10,000 grant awarded to our school in the form of a check – to be used for Health and Fitness.

In order for each student to attend the assembly, and potentially participate in the Ultimate Gym class – we have been asked by the NFL coordinators to have each student sign the “Waiver of Liability and Release” which is copied on the back of this letter. Their concern is primarily that photos or video may be taken (this is a publicity event for them 😊) and the NFL needs permission to share the images.

Please don't hesitate to contact me if you have any questions about this special assembly for our students.

Very truly,

  
Casey Bowers  
Principal

Please review, sign  
and return the Waiver  
on the back so your  
child can participate in  
our Seahawk event!

*Cathcart's Aim:*

Cathcart Elementary students will demonstrate on-going academic achievement  
and responsible citizenship.
